... and the deep relationship with Japanese climate and culture

[In cooperation with Japan Sake and Shochu Information Center]

Lecturer :
Mr. Shuso Imada
Japan Sake and Shochu
Information Center
General Manager

Since ancient times, Japan has developed a unique food culture through rice farming.

In October, the theme of the CCIEA Exchange Salon event will be "Japanese Sake," a fermented rice beverage that is attracting attention around the world.

Let's learn about the diverse world of Japanese Sake together through the climate and culture of Japan.
